

IBC's Ralph Palumbo and Barbara Sulzenko-Laurie among speakers at breakfast seminars

Is There a Place for Collaboration in Times of Disharmony?

The auto injury benefits environment in which claimants, insurers, service providers and legal professionals must function is in an unprecedented state of flux. The potential for misunderstanding and frustration has never been higher. When positions become hardened, is there still a place for collaboration to fulfill the spirit of the SABS? The prominent members of the insurance, legal and health communities who will be speaking at this seminar believe that there is.
